## Who are we?

ME EXPO (China International Manufacturing Equipment Expo) will launch its first session during Nov. 19-22, 2013 in Yiwu City of China, one of the most active and dynamic economic areas in China, designed to enlarge importing of sophisticated manufacturing technologies and equipment and facilitate the industrial transformation and upgrading of Chinese manufacturing industries.

Zhejiang Province maintains the title of center of manufacturing industries while well-known as the World Center of Small Commodities, Yiwu City enjoys a huge base of professional buyers with more than 13,000 buyers from the world staying in Yiwu City year after year and roughly over 445,000 foreign buyers coming into Yiwu City every year, posing huge demands for manufacturing equipment in addition to small commodities and laying down a solid foundation for the success of the event.

ME EXPO is jointly organized by Yiwu Municipal Government and CCCME (China Chamber of Commerce for Import and Export of Machinery and Electronic Products), the fundamentals of which are presented as follows:
