www.ar-medica.ro • www.facebook.com/ar-medica

Ar-Medica

one of the most important fair at the national level and the largest medical fair in the west of Romania

Will be exhibited medical equipment, instruments and supplies, pharmaceuticals, herbal and alternative medicine, orthopedics, optics, laboratory equipment, medical services, private clinics, maternity hospitals, clinical laboratories, medical transport, medical aesthetics and fitness, equipment and appliances for cosmetic treatments, equipment rehabilitation, medical tourism, medical IT, publications, specialist websites and books related services.

Medical Veterinary Salon

The Edition from 2015 brings for the second time for AR-MEDICA, the international salon veterinary medicine, where will be the most important actors in the field. The Veterinary Medicine Salon was initiated from the need to innovate and support this business, thereby creating a competitive system beneficial to each participant. Will be exhibited machinery, equipment and medical instruments, instruments and medical supplies, medicines for veterinary medicine.

Beauty Salon

Within the medical fair you will find a cosmetics, equipment, aesthetics and body care products in which we support the people informing and presenting various methods to get a interior and exterior condition, positive tone and a healthy life.

2015 Edition

110 exhibitors from Romania and from abroad, 1.220 sqm interior space and 4.500 visitors.

Specialised conference • Business to business meetings

Related events: specialized conferences, business meetings, company presentation, meetings of the members of professional associations and raffle for visitors.

During the fair there will be organized symposia, congresses, conferences and workshops for dentists, general practitioners, specialist doctors and family, veterinarians, dental technicians, pharmacists and nurses.

AR-MEDICA has become the most important medical event, in which the commercial side meets the related scientific events organized through during the exhibition: symposia, congresses and conferences, demonstrations CME and EFC.

AR-MEDICA has become the most important medical fair, the appropriate framework in which the commercial side combines with scientifically through related events organized during the exhibition: symposia, congresses and conferences, demonstrations credited with EMC and EPC hours.

Why attend AR-MEDICA 2015?

- The chance to be visited by over 6.000 potential clients to visit you in just 3 days.
- Each year the largest medical equipment producers and importers are present, from this point of view Ar-Medica has one of the richest offers in Romania.

The scientific program is organized in collaboration with:

- College of Dentists of Arad;
- Medical College of Arad;
- College of Pharmacists Arad;
- Veterinarians Arad;
- Order of Nurses and Midwives in Arad.

What we will do as organizers?

- We will organize an event within which you can present yourself to the specialized visitors and to the general public.
- We will promote the event in order to attract visitors interested in your products and services.
- We will provide you our services in order to create the most appropriate framework for presenting your offer.

What you have to do?

- To book early a stand at the fair.
- To prepare an attractive offer for the visitors in order to lead them to choose you for closing a deal.

Goals of the fair

- Organisation of a quality event for the medical field in Romania, which should meet all requirements and expectations of exhibitors and visitors.
- Creation of a reference event for the medical industry.
- Increasing the number of exhibitors and visitors from the medical field from Romania and abroad.
- Increase by at least 10% of the number of the fair visitors.
- Strengthening the partnership with professional associations in the medical field
- To present the innovations in the medical field.
- Organizing an international medical conference

Promoting AR-MEDICA

The success of a specialized trade fair is also provided by a good media promotion campaign. Therefore, the promotion campaign will be focused on:

- Regional and local media: newspapers, magazines, websites, TV, radio
- Specialized magazines – partnerships with specialized magazines
- Online websites – partnerships with important online specialized publications
- Social media
- Banners, flyers, posters
- Related associations
- Newsletter
- Direct mailing to a potential visitors database
